“ Just learned of David's passing today. I had the opportunity to meet him, as we sat next to each other for chemo. We shared about our cats, children, religion and health. He was an inspiration to me. Deepest sympathy for his family. He was such a nice gentleman.

“ Although I did not know David well, as a greeter at St. John XXIII he made me feel welcomed and like I belonged. I will miss seeing him at church as well as the opportunity to know him better. My condolences to his family.

“ Here's a shout out from the "old neighborhood", the Clymena street gang. I believe I was Dave's first best friend. How many others could share the memory of Dave and I painting Dave's father's station wagon with house paint. Needless to say that was a painful experiance for both of us. I don't remember what color the car was originally but it sure looked good to us with those big white racing strips down the side and back of the car. I hope this wasn't the cause for you Seibenicks to move away from the old neighborhood. The Taylor's sure missed you guys. I hope we are in town when you have the services so I can say one last goodbye to my oldest friend.

“ To the Seibenick family,

My condolences to all of you on Dave's passing. I knew him since grade school and grew up with him, playing football at Rosary Cathedral. One tough player. You will be missed.

“ We are very sorry to hear of Dave's passing. My wife, Mary (Augello) and I both remember Dave fondly from our formative years in Toledo. He was a gentleman, even as a kid. His sister Lynn was my classmate at CCHS and everyone knew what a close knit family you are. God Bless you all. Joe and Mary McCarty Naperville, IL

To Jeff and his family, Joem and all of my Sieb cousins, I was so sad to hear of your loss. I will always remember David fondly. He had his dad's laugh and his mother's artistic flair. I can recall the last time I saw Millie, she said she watched Dr. Oz on tv because the handsome doctor looked just like her son, David. Now I mourn David's passing with all of you. May the grace of God be with you. Terry (Gebolys) Gustafson, Fort Myers, FL.

To all the Serbs, I share your loss. I was shocked to learn of David's passing because we are all a family and that's supposed to be for keeps. Whenever I saw him, he had a toothy smile on his face, arms outstretched and he boomed "Deebs," at me. That memory will stick around even though he couldn't. I will look forward to the time when we can gather to say our goodbyes to one multifaceted guy. And yes, I will jump into as many of your pictures as I can. Love to you all. Your fave,

The entire Suarez family is saddened with David's passing and pray that our Lord grants all of his family and friends the ability to reflect on how he has touched all of the parishioners at St John XXIII throughout the years. May all have memories that bring a smile, laughter, or calming feeling to each of us. May his family gain strength through those positive feelings to help them during this difficult time.

To Dave's Family

I had the privilege of working with Dave in the furniture business. His laughter could always make me smile and I enjoyed our discussions on the beauty of seashells. The world has lost a spark of sunshine. God be with you all.
