“ Sorry to hear of Dave's passing, I am from the old south end, Oliver Street, Frank Sifuentes. I have been looking for Dave for several years. I remember him letting me ride his bicycle if I gave him some flour tortillas. I have searched for him on Facebook but no luck. God bless his family and may you rest in paradise.

“ *To my big brother*

Thanks for being there for me as we were growing up I know that I sometimes got on your nerves a lot when we were younger. Later on after your return from the Marine Corps (Vietnam) we were together again then I join the Marine Corps and after my time away and return home, again you were there. As we married and had kids we were apart and not as close but I knew you were just a phone call away if I needed you.

*Thanks brother
