“ David's friends are having a memorial Potluck:  
We will be getting together to celebrate Dave's life and the huge  
impact he had on all of us. Dave may not be here with us but he will  
never be forgotten. He will be remembered in every thought, every  
softball game, every pic, and by all the children that their time was  
cut too short with their dad. We're only asking that you please bring  
some type of plate to share as this will be like a pot-luck... Thank  
you. R.I.P Dave You are forever in our hearts and prayers ?... Thank

“ Although you will never know the true purpose for the path that others choose, know that something you may have said , or something you may have done, stays apart of that person as well as that person apart of you. Hurt is eaily inflicted on the ones we love the most, not to hurt them but to say I am hurting. Pride, like a shield around the heart, keeps the hurt in and repells all other emotion from making entry. Know that your efforts did not go unnoticed and that deep down within was a file with memories of a happy childhood with a fondness for his family. May you all find your serenity and forgiveness with his passing.##imported-begin##Kristina##imported-end##
