“ Here it is, 15 years later, and i looked up Ray...
I delivered stuff to the Shipyard, and Ray let me look in a tugboat—
a once in a lifetime opportunity! Ray was all about mentoring others.
I thought I detected jealousy from some of his fellow supervisors,
but the little dogs' yapping he never paid the slightest attention to!
They should have stepped up their game, instead of being jealous.
The light is more obvious in the darkness.
That guy was as good as an example as you could ever find. He'd
work hard and excellently, have your back, and would die for you.
And he did!—much earlier than I'd have ever imagined!
We could not believe it, even though we didn't work there, when I'd
tell our salesman that Ray was so sick.
His memory is still blessed after all these years. I hope we meet
again, Ray! You were one of the guys who helped me!

“ The Zills Family,
Sorry for your loss.
I knew Ray from the Ohio Army National Guard 612th "A" company.
I was in from 1981-1987. I worked a few projects with Ray back
then. I have alot of respect for Ray. A really good guy. And often
thought about him over the years.

“ Uncle Ray was a burst of sunshine that always welcomed me from his front porch. His happy smile and laughter made my visit to the Borks feel like he was family. I am sorry I can not make it there to share my wonderful memories of him, but I send my love and prayers to all his family and friends.##imported-begin##Ginger 03/13/2009##imported-end##

“ I was in the 612 A unit when I met Sergeant Zills in about 1987. I was making my way thru college. Sergeant Zills went by Ray. I have fond memories of working together on projects like road building, tree cutting, dirt hauling and excavating. Ray always stuck up for us and he had great respect from his fellow soldiers. I have lost track of Ray after serving my 6 years. He was an inspiration to others. He will be greatly missed.

Ray was a supervisor at a Toledo shipyard. HARD working, tough, but very fair and compassionate. What a role model!
