“ Deb, I am at a loss for words knowing that you're not here anymore. You trained me as a co-worker but we became much more than that. You and Poppy were so good to me and you supported me in decisions I made. Poppy misses you so much Deb. Please watch over him. You are his everything and he is your everything.

“ *My dear baby sister and sister-in-law,
We shared so many great memories of our
lives together, as you dealt with the cruel
disease that finally took your life. You
sometimes said you were scared but we
never saw anyone with so much determination and heart fight this
battle as hard as you did. Even in Hospice we were told many
times, your battle was coming to an end. But your heart beat
remained strong, and in that last breath; Debbie, you did it your
way!
May you rest now in God's loving arms and be filled with peace and
eternal joy!
Love always, Jim & Bev Weimer*
