“ *It's been an emotional roller coaster for this step daughter. I have many memories. One is from my graduation ceremony where you stood up and yelled LOUDLY " way to go Chris" . Another is from my wedding day when you escorted me to the limo and kissed my cheek. You and Dad are at peace together. 💕* ”

“ I was extremely surprised to hear about Debbie's passing. John and family please know that I am praying for you and your family. I first meet Debbie when she was 16 when I use to hang out with her brothers Jerry and Rick in High School. Debbie always impressed me of having sunshine and kindness in her heart and you could see she was smart too. She had that unique gift to keeping a smile when times were tough or good. Knowing her when she gets to heaven I believe she will be organizing good times for people up there as did here. There will probably even be a new quilting club on some cloud next week. This world will truly miss her sunshine and kindness. It was a privilege and honor to have known her.

“ There are so many wonderful memories that I have of Deb. She was a second mom to me for a lot of years. She used to love watching Toni and I rap to DJ Jazzy Jeff and the Fresh Prince, Parents just don't understand. All the memories from being up at the lake with her, John, Grandma and Grandpa Pruhs, and Mary Jo. Deb ALWAYS made me feel welcome and comfortable. She will be dearly missed by everyone who knew her.
