“ *I just recently found out about Denise's passing and am deeply saddened. We were great friends in high school and she was always so fun to be around always laughing and running over the neighbors bushes :) She was a person that would do anything for you and everyone liked her. I can't believe that she is gone . Rest In Peace Denise..*

“ *I remember Denise as a teenager. She had a great personality and could get along with anyone. I remember thinking that she had it all together yet she could have fun. My heart goes out to those that loved her most.: to Mike and Tim and their families. From Lisa Constantine, Uncle Marc's 2nd daughter. May Denise rest in peace.*

“ Denise was one of my dearest and best friends in high school, and I'm so incredibly sad to hear of her passing. We were so young when we knew each other, but I've never forgotten her humor, her gregarious laughter, her force-of-nature way of being in the world, and her great friendship to me. You will be missed in this world, my friend, and rest well in the next. My deepest sympathy to the Gallagher family in your immeasurable loss.
