“Diane was very special to our family. When we adopted twins 11yrs ago they were 3yrs old and soon after she became their “unofficial aunt Diane” sending cards or stopping by with something for the kids We can’t find the words to express how much she meant to our family or how much we will miss seeing her and her walking her beloved dogs. Rest in peace our dear friend. Michael and family we have been so blessed to have had Diane be apart of our lives, she spoke often of you and loved you very much. Thank you for all you did over the years for her, she was proud of all of you.

“Diane was a wonderful person, who will be sorely missed. Di (and Annie) were the sisters my father never had. I know that he loved Diane very much and that my mother cherishes the special relationship she had with Di. I hope the peace of the Christmas season and its promise of the Resurrection give you comfort.

“ I met Diane when she volunteered with our parish St. Vincent de Paul. She was so kind and sweet and I loved talking with her and checking in with her whenever I would see her. Her quiet demeanor was so calming to those around her and loved hearing her Ziggy stories! Diane was very kind to my daughter Emily on several occasions and loved keeping up with what was going on with her. She will be missed.

“ Di was the first special education teacher I met and worked with at Whittier. She always had a good attitude and caring manner with her students and all the teachers she worked with at Whittier. A warm and gentle person as a friend and listener.
