Diane was a wonderful woman and mother who adored all of her children. This was obvious as we spent many years with our sons at Blessed Sacrament School and many sporting activities. You are all blessed to have had her in your lives. You are always in our prayers.

“ I met Diane through our shared involvement in CRHP - Christ Renews His Parish, at Blessed Sacrament parish. Diane struck me as very intelligent and gentle. I was inspired by her devotion to her family, and her selfless approach to life. With so much physical suffering, she sought only to be the best she could be to her family. I am so blessed to have known her, even so briefly. My hopes for peace and comfort to her family and friends. And my gratitude for the time I knew her.

“ To all Diane's Family:

*I am so sorry to hear about your daughter/sister/mother. I will always think of Diane as a very nice, gentle person. I have a happy memory of her that I will never forget. I was standing in line for a ride at Disneyworld in the mid-70s and heard someone calling my name. I turned around to see who it was, and there was Diane's smiling face two people behind me in line! We were both so surprised! I hope it is your happy memories of her that help you through this difficult time. Please accept my sincere condolences.
