“ Many memories of Delores and Gene. Delores was a sorority sister to my mother, Jeanne Goodman, and we, my sister and I, were always thrilled to see her. She was a vivacious, smiling, and welcoming lady. I believe she is the last of the "girls" from Scott High. I always thought it was amazing that they were still together, once a month, well into their 70's!  
My sympathy to all of her family. May God grant all of his peace to you.

“ Salisbury Quarry and the Griss family became my family for several summers during the late '60's and early 70's.  
I have many fond memories of Gene and Delores and kids.  
Drinking "pepsi's" with Gene, going for chicken dinners, dragging the beach.  
I grew up there and am grateful for the experience.  
Best to the family.
