“ *My deepest condolences on this great loss. Don was a part of my growing up, as we grew up together in summers at Devils Lake, and spent many Christmases together. He was always smiling - upbeat, complimentary, patient and sweet. I only wish I resided in Toledo so I could see you personally and share my happy memories. Know, however, that you are all in my thoughts and prayers, and also know that Don is in his Father's loving arms, preparing a place for you.*

*Sincerely,*

“ Trent - I am very sorry to hear about your father. I know you two were close. I lost my father, who was also my best friend, two years ago when he was only 60 years old, so I know there is nothing I can tell you that will make you feel better. Simply, cherish your memories of him and honor him by being the best husband, father and man you can be.

*Please accept my sincerest condolences. My prayers are with you and your Family.*
