“Donald Lean Bolles”

*Donald was a special man who really loved life,
He loved his brothers, sisters, kids and his wife.*

*He loved his sports, like most men do,
But I recall he loved football and boy could he move.*

*We like to think of the good things that happened in his life,
His smile, his jokes and how he just took things in stride.*

*Donald should have lived way beyond his years
It's hard to stop the flowing of our tears,*

*It wasn't fair that his life ended way too soon
They find everything else and send people to the moon.*

*Our lives have changed, our hearts are broken
We must move on for he has spoken.*

*Donald maybe gone though still on our minds
He was a great man and perhaps one of a kind.*

You are loved.

Your Cousin Always,

Robert & Sally Hill Mecker

“ *Don, You will be missed by so many. I will never forget when my family first met you. You were always so nice and so caring and willing to help out when needed. I am sorry to hear of the struggle you had to endure as of late. But I trust you are above looking down and reunited with loved ones that have passed. May your soul be at peace and fly with the angels. Until we meet again.*

“ *Don will be missed. I had the pleasure of working with Don for 11 years at Exel. Every time I walked into his office, I learned something from him! He had the ability to create a strong team and make everyone on the team better. From my initial interview with him to the last time I saw Don, he always displayed a positive attitude. He lived life the way it should be lived! Unfortunately for us, his life was cut way too short! My best to his family.*

“ Don was a terricffic person whom I respected greatly. Each encounter we shared together resulted in me gaining additonal perspective on life based on the wisdom he would share. We were only 1 month apart in age as my birthday is Feb 15th so we talked introspectively often and I'll never forget the tremendous compassion he had for others and how much he enjoyed life. God bless him and his family and may he rest in eternal peace.
