“ *My sincere condolences to Don's whole family. Don was one of the most sincere, thoughtful persons I ever had the pleasure to know. I will miss the twinkle in his eye and the words of wisdom he was always eager to share. A man so wonderfully loving and loved will be sadly missed. It was a true honor to know him and call him my friend. Sincerely, Barb Buckley, Roaming Shore, Ohio.##imported-begin##Barb Buckley jjbj@windstream.net##imported-end##*

“ *We wish to send our condolences to Leona and Don's family. We got to know Don while here in Roaming Shores and were inspired by his spirit. We're sure he will be missed. We had the opportunity to have a copy of the video of Don telling about his time in the service and it left a real impression about what he and others in his time went through during the war. Don's faith was evident in seeing him coming to church every week. He'll be missed.##imported-begin##Bob & Colette Gregory gregory.bob@gmail.com##imported-end##*

“ Dear Leona and Family,
Don was a really neat guy. He will be missed by us and by his many Roaming Shores friends. He was special--his sense of humor, his positive attitude, his love for life, his uplifting contribution to whatever conversation, and also his strong faith in God, so evident in his life.

Yes, we will remember him and our prayers are with you during this difficult time.

Love,

“ Dear Matt and Carolyn

I am sorry so to see of the loss of your dad. My heart aches for you. It never matters how long or how sick or old they are. Or even that we know they are in a better place. It is still a massive loss that we have to somehow dig up the strength to survive. I know it never gets better, just different and you learn how to deal, I wish I could do for you what Carolyn did for me when I lost my mom. Please know that I am thinking of you and your family at this time. Thank God you have wonderful family support for this. Love you guys.
