“ It's been a year but seems like just yesterday I was chatting with you on the phone. Sometimes you had the tendency to tell the same story again, but I never minded hearing it another time. For I knew this day would come and I would long to hear your voice. We're all missing you to pieces. Please come visit in our dreams. Mom, especially. I love you, dad. You will never be forgotten. Thank you for being the best Papa to my kids. We have the best of memories. We'll cherish them forever. See you later, if you're lucky! 😊💕
