Donnie was a kind, man whose genuine nature and memory reminds me of a gentle breeze on a lazy, Saturday afternoon The pride and love he felt reflected in his eyes when I would ask about his fishing trip or the ride he went on with his friends that day and when he spoke of time spent with his children, grandchildren, and friends. His life, as well as his sudden death, has had a major impact on the people whose lives he touched. God bless us all and carry us through our grief as He blessed us with Donnie's presence that brought so much joy to so many. If you hear the faint sounds of a wind chime or feel the wind through your hair when you're riding or boating, I hope you remember our friend, Donnie.

Sincerely,

Mary
