“ Aunt Donna, in our family of many chaotic crazy moments, you were the quiet voice of reason.
Humble, compassionate and pouring love out to all you met. We will miss you beyond words. I pray that each of us can carry on with your "spark", to share love in this world.
You have your wings now. But you have been my Angel for a long time❤️❤️.

RIP My beloved, trusted, and most valuable friend. We've had so many years of friendship, fun and sharing, that will carry me through whatever time I have left on this earth. You are now an angel, wrapped in the loving arms of our precious Lord, God, right where you belong. I love you, and I'll miss our good times, but I know you are safe, and pain free, and in the best place you can be. That's good for me!!!
