“ I am out of town and unable to extend my sympathy to your family in person. I remember fondly some family gatherings with your family. I remember your mother as a beautiful woman who was so kind and warm. I hope your family is finding comfort in the memories that your family created over the years.

“ Aunt Doris was my grandmother's sister, but I always thought of her as another grandmother to me. She was one of the most kind and caring people I've ever known. She and Uncle Jack and the kids always made me feel so welcome and at home when I would visit Toledo.
I especially enjoyed her stories about growing up with my grandma and Uncle Buddy. I still miss those times when we would all be together playing cards and they'd be reminiscing about life back in those times.
She will truly be missed, but her memories will live on in our hearts forever...
