“ I knew Doug when he worked at Enloe. I was on the board of Glenn General hospital in Willows and when Enloe was operating the hospital for us, Doug came to all the meetings in Willows. He was the nicest guy - low key, fun, productive in the meetings. I really liked him and have always wondered what happened to him. “ We are so sorry to hear of your sudden loss. I pray that God give you strength and encouragement at this difficult time. Jessie sends her love and hugs to Lexi, and when she is ready, she is welcome over anytime. Although we met Doug only a few times, he was a wonderful and gentle man who will be greatly missed. My father sends his condolences as well, having met him only once when he was in town recently, and took Jessie over to see Lexi. He was also stunned and saddened at his passing. We will keep your family in our thoughts, and pray that you find comfort in the peace of the Lord.##imported-begin##Jenny and Jessica Przybylski jenprz1105@yahoo.com##imported-end##

“ *Sally,
I'm so sorry to hear about Doug's passing. I always looked at Doug as a member of our family. Definitely one of "Fat's" favorites. I have fond memories of our college days as well as his days with the Johnsons on Drouillard Road. A great guy.

“ *I have many a fond memory of Doug during our college days at UTin the late seventys. We spent many a weekend evening drinking a few Strohs beers at the "Stein and Pitcher" on Bancroft Street, and solving the worlds problems. Although we lost touch with one another over the years I will always remember those good times. I wish the best for Sally during this difficult time.

“ *Sally - I worked with Doug at Toledo Hospital in the IT department - Doug was one of the smartest, hardest working person's I ever came across in my career - but more importantly, he was one of the nicest, fairest, and generous individuals I had the pleasure to know. I am sorry to hear of his passing - I know he will be missed by many but kept forever in all of our hearts and minds.*
