“ Ed,Sue and family,
I spent a lot of time in your home in HS as one of Ed's sidekicks.
Your mom was a gem,
but your dad was a imposing man who always scared the crap out
of me. A man with few words but respected by yours truly! He and
your mom were fantastic parents and you all are a testament to their
legacy.
May the Lord Jesus surround you all in His loving arms in the days
ahead!

“ *To the entire Floyd family, especially Lisa, my condolences. What a blessing both of your parents were. I remember how sweet and giving your Mom was. The memory that sticks in my mind of your Dad was how much I was scared of him - probably because he was so big! But I think he knew that and was very careful not to have me think that for long.*

You were all so very blessed to have them both and now Heaven is blessed.

“ Jeane, So very sorry to read of your father's passing. I hope you and your family take great comfort knowing his devotion to his religion was unique, and sure to be rewarded.
My main memory of him was meeting him for the first time at your home - he came into the room and I was struck at how big he was!
Know you have our sincere sympathy,
Lorrie and Joe
