*Dave and Family, I was so sorry to learn of Eileen's passing. I know Don Spencer would have missed her terribly. They had such a good relationship which extended to me as well. Having been to your home for Hobo Dinners and social gatherings elsewhere, we were always made to feel so welcome. Once more, we were accepted like members of the Dussel Gang.  
My deepest sympathies to each of you, with love,  
Don Spencer's wife, Mickey*
