“ Our hearts are broken after hearing the news of Ellen passing. I only met her one time but in that short moment in time it was apparent to know her is to love her. Her kindness and her beautiful smile made my day a better place in that moment. Dr. Hickey my deepest condolences and please know your family is in our prayers.

“ I am beyond blessed to have Ellen in my CCHS AP Psychology class she brought her intelligent witty humor and kind heart to class and enlightened us all. During Kairos we had great talks and her overwhelming compassion for others was beyond measure. Prayers and hugs to the entire family.

“ Dear Tim and Laura,

My heart aches for your family. I loved having Ellen and Tara in my preschool classrooms and getting to know the whole family. Ellen was always smiling and so sweet to the other boys and girls. The afternoon preschool class that year was fairly small but tight-knit. I remember returning a preying mantis in a bug jar to your house and getting lost. I can't recall if Ellen or Tara brought the bug box in. One of the girls was kind enough to bring it in to share with the class during our bug unit. I didn't want the praying mantis to stay confined over the long weekend and I wanted to return it. I am not sure of your current residence to send my condolences but know that you are all in my prayers and I am sending my hugs and love to you all.

“ *This is shattering news to hear of Ellen's passing. She was a student in my Honors American Literature class at Central Catholic High School, and I can still see her smiling face in my mind's eye. I remember her as smart and sassy, kind-hearted and kooky - just the kind of student to bring liveliness to a classroom. I am praying for your family in this time of sorrow.*

“ Dear Tim and Laura,

There is no greater heartache! Losing a child leaves a massive hole in your heart. But over time, God and family and friends, even strangers will help fill that void. I know that Ellen was a true reflection of God's Love and Light in which she is now fully made perfect! What a beautiful gift and blessing she is even though her time here was so short!

“ There are so many times we question why God calls someone home to Him. That is what I am feeling about the loss of Ellen. I remember her as a kind, sweet, quiet, funny little first grader. I am heartbroken for you. Those of us who were blessed to know her grieve with you, and pray for you. I am so sorry for your terrible loss.

Dear Laura, Tim and family, We were shocked to read of darling Ellen Marie's passing. I actually had to read it twice before it sunk in. I only knew Ellen as a child at the times you would stop at Dr. Howard's office with her but I remember how sweet she was. Laura, your Dad would always jump for joy when he saw you and your kids. Life does not seem fair at times like this You have our most sincere sympathy. I know you and Tim will always hang on to your beautiful memories to bring you comfort and I know,without doubt, that Ellen is held tenderly in Jesus' arms and John, Nina and Sarah were there to greet her in heaven. I miss all of your lovely family. You are in our thoughts and prayers every night. God Bless You.
