“ Dennis, You have my condolences. Bless your mother's soul. She had a wonderful, long life and now in the arms of God in Heaven. You were a loving son and loving caretaker. I met your mother, a sweet lady and if you remember, as Realtors, you at Gio and me at Danberry. We had quite a few conversations about our combined real estate business.

“ Aunt Ethel always reminded me of a queen - her grace and elegance, combined with the loving kindness she shared. So many she touched with her smile. She rests now in the arms of God. He sees us safely into this world, and sees us safely out. She will never be so far away. My prayers are with you Dennes, always.

“ Dennes:
How well I remember your Mother. The times I would call you and she would answer and the little chats we would have, her thoughtfulness with dropping a note or card whenever anything personal happened in my life and the way she was always put together and beautiful.
The world has lost a very "special lady".
My thoughts and prayers are with you.
