“ I only met Eunice a couple times while my mom was also at Sunrise at the Scioto. She was hilarious! Her one liner comments always made me laugh. She crossed my mind lately and thought I would look her up. May she rest in peace - Im sure she has people in heaven Laughing :-)

“ It seems that most of my best childhood memories involve the McKenna family: boating and fishing on Lake Erie, playing together in Indian Acres, our two families getting together for fun and shared laughs. I am so very sorry about the loss of your mother. I know she has been ill, but losing a mother is always difficult. Please know my love and prayers are with you all. I regret that I am living so far away that I cannot attend, but know that I will be with you in spirit. She's with Terry Joe now, and is happy again. I like to think she will be seeing Diane, also, and the two of them can catch up. She and my dad are probably "cutting a rug" already up there! My love to all of you.
