

Evelyn E. Davis

November 28, 1918 - March 16, 2015

Evelyn E. Davis (96) of East Toledo, OH, passed away peacefully on Monday, March 16, 2015.

Evelyn was born on November 28, 1918, in Battle Creek, MI to Herbert M. and Mary A. (Newcomb) Davis. Evelyn is survived by her son, Phil Davis, and her two daughters, Barbara (Dean) Zurawski and Mary King. She was preceded in death by her son, Larry Davis. Evelyn had many grandchildren and great-grandchildren whom she loved dearly. For 25 years, she worked for Gladioux Food Services as a cook. She was a voracious reader and enjoyed doing word searches, gardening, listening to music, feeding her birds, and cooking enormous meals for her family. She was also a fiercely independent person her entire life. Evelyn will be missed for her positive attitude on just about everything and her witty personality, even when things around her might be a little uncomfortable. When someone from the great staff at Arbors of Oregon, where she spent the last two months of her long life, would ask her, "Evelyn, how do you feel today?" she would respond with a typical 'Mama' answer, "With my fingers." Evelyn's service will be private, with immediate family only. We love you Mama.

“ My deepest sympathy to Mary, Barb, Phil and the family.

I share nothing but beautiful memories and love for your Mother. A person who I could talk with about anything. She was my mothers special friend for many many years and had known me since my teenage years. My mother and Evelyn use to meet in downtown Toledo for lunch at Woolworths(?) on Saturdays and eat french fries from the same plate. If someone give them a look of wondering why they were eating from the same plate she would give them a few choice words. For years she made vanilla fudge for me at Christmas and never forgot my birthday. I believe the card I received recently was a early wish for this years birthday knowing she would not be with us. She will always be in my heart. As I look out my window into my garden with the purple iris plants she give me; this will serve as a living memory as they return each year. My she rest in peace and much love to all of you.

“ *My second mother who I loved dearly. She would always straighten me out when I complained about this or that. I picked her up from her East Side home and bringing her to ours when I was complaining about the trucks and their heavy road spray from the wet roads after a rain.*

She nudged me gently (no, it was a hard nudge) and said: "Dean, that's what trucks do!" A very positive and beautiful lady...my Mama
