“ Dear family, We just had to express the love we had for your mom. She was such a delight when we would stop in and buy bait before we would go fishing. We always knew we had to leave a half an hour earlier because your mom loved to talk. She was so interesting and we loved our visits with her. Our prayers and thoughts are with you but please know that she left this earth a much happier place than before she was in it.###imported-begin###Denise and Greg Legech dmlegech@bex.net###imported-end##
