“ *To Martinez Family What an inspiring tribute to your mom, grandma, aunt, sister or friend as she was to me having the privilege of working with her at Toledo Towel she always had a lively kind and loving spirit. She was a warm hearted person full of joy and always welcoming when I see her wherever you see her whether it was at work her home or out and about. She will truly be missed by her family and friends and she leave behind memories to cherish forever. I too as well lost my mom and brother this year and feel the lost of love and memories that are no longer here but will live in our hearts forever till we meet again especially when I view video of the life while here with us but have faith that we will truly live forever with them again when we go to our home in heaven. My heart feels for you and your family for your loss but I am praying The Lord be your Comforter at this time.*
