“ Gary was a wonderful person, and was always there with a smile, and advice, whether you wanted it or not. If you needed cheering up, he would be the one to do it. His outlook was not always what you would expect, but if you did not see eye to eye, he would not hold it against you. We need more people like that in the world. He was a caring soul and will be missed greatly.

“ Gary was truly an open book. I have many fond memories of his laugh, and his love for life. Regardless of the situation, Gary was happy and thankful as long as he could ride his motorcycle! Love you, Man!

“ Every time I saw Gary, he had a smile from ear....truly a man who didn't want much...but had everything to give. He was a free spirited guy and made life so non-complicated. If only we all were more like him.....He's going to be missed terribly by every life he touched....RIP Gary!

“ I love Gary. Always had a smile when talking to him. Gary was amazing, with a big heart, loved his motorcycles. After all these years of the happening cat, finally was told the origin of it! Always ready to help others.
