AZ

I was a friend of Gary's. I'm glad to see that someone else pops onto this remembrance site between 1/14 and 2/22 and keeps him alive in their thoughts.

“ You have left a huge void for me here at The Survey Shoppe, Jakubo. I am really going to miss talking with you on a regular basis about local high school sports, college football, baseball, “rock and roll” music, and everything that is all wacky about the world in which we live. I loved joking around with you, buddy. You were a great guy and a good friend. I am sad you are gone, but very happy I had the opportunity to get to know you so well over the past decade or so. My heart definitely goes out your mother, family members, and other close friends as well. There is no doubt, Jakubo, about how much you are missed...##imported-begin##DonnyBaseball##imported-end##

“ Gary,  
We did some good work together the last few years and it was always great to talk sports and music with you. I really enjoyed the time we skipped lunch and went to Dearborn Music to rummage through the used vinyl racks for those musical gems. Your cube was a good place to hang out but you are in a far better place now my friend.

“ I was friends with Gary for many years online. Have been so worried since I hadn't heard from him. I just found out and I'm heartbroken. Glad he was with his mother. He loved her so. You left us far too soon. I will miss you, until we meet again, my friend. ? ? ?

“ Mrs. Jakubowski, we did not know each other, but I have known your son for close to 20 years. He was a great guy and I shall miss our friendship. He never forgot me on my birthday or Christmas. We liked the same music and would share our love of different singers. He was a very generous funny guy and I am so sorry for your loss. Please know that others are thinking of you and sharing your loss. RIP Poolman and I hope there's some March Madness of a different type up there.##imported-begin##april t vankalen@comcast.net##imported-end##
