

Gary Allan Pfundt

May 13, 1969 - March 1, 2020

Gary A. Pfundt Jr. of Maumee, Ohio passed away in his home Sunday March 1, 2020 after a courageous battle with pancreatic and liver cancer.

Gary was born in Bay City, Michigan where he resided into his twenties, until he moved to NW Ohio. Gary graduated from T.L. Handy High School in 1987; and it was there where he excelled on the baseball field, serving as the starting catcher on the varsity team. He continued to play baseball in college at Saginaw Valley State University until he graduated with a BS in Accounting in 1992. His love of baseball would be the foundation of an unbreakable bond between him and his children later in life.

After college, Gary received his certification as a Public Accountant in 1996 and his Valuation Analyst certification in 1997. Gary is a member of the Ohio Society of Certified Public Accounts, the American Institute of Certified Public Accountants, and the National Association of Certified Valuation Analysts. Gary was very active in NACVA and, as such, is a member of the NACVA Grading Team, and the Exam & Grading Committee.

In 1995, Gary married Kimberly (Wagner) Pfundt, who was his support and care-taker until the end. They have two hard working and athletic children; Hannah, 17 and Drew, 15; who both share in a passion for softball and baseball with their dad.

Gary is survived by Kim and the kids; his sister Christine Pfundt; his mother, Joan Solmonson; his father, Gary Pfundt Sr. and his step-mom, Mary Pfundt; his step-brother, Mike Brondsetter; his step-sister, Paula Griffin and his two

nieces Sarah and Katie; his father-in-law, James Wagner; along with numerous aunts, uncles, and cousins.

Gary was preceded in death by his grandparents, James and Helen Francoline, Merle Morrisette, Dolores Sochacki; his brother in law, Chad Griffin; and his mother in law, Audrey Wagner.

Gary's philosophy in life was simple: Work Hard, Play Hard. He took great pride in his career, and loved to play both baseball and golf. If you needed to find him, the best places to look would be his office, a golf course or casino, or sitting around a bonfire with friends playing country music. Gary cherished taking trips to Myrtle Beach with family for beach vacations; and with "the guys" for frequent golf trips. He generously opened up his condo there for countless friends and their families to enjoy. But, nothing made Gary happier than watching Hannah and Drew play ball. He spent countless hours with them both- hitting, practicing, and watching them excel on the field. His pride in their efforts, along with their teammates, was evident to all. He was dedicated to both his family and friends, and will be greatly missed.

Friends and family are welcomed at Coyle Funeral Home, 1770 S. Reynolds Rd., Toledo for Visitation Friday, March 6th from 2:00 p.m. – 8:00 p.m. with a Prayer Service at 7:00 p.m. Funeral Mass will be held on Saturday, March 7th at 10:00 a.m. at Saint Patrick of Heatherdowns Church, 4201 Heatherdowns Blvd., Toledo. “ I didn't really know Gary, saw him at the softball fields and he would come into Wizard World with Hannah to practice with her. Usually front toss. Gary would walk by and we would say “hi” and then go into a batting cage with Hannah. One time he asked if I would watch to see if Hannah was dropping her hands on her swing. You could tell how passionate he was to help her. Everything I have heard is how he was there for his kids and Kim. Seemed like a very good man. So sorry for your loss. Mike Stalter and family

I coached Gary in Pony League Baseball when he was a young teenager. A great kid that played hard. He was a friend of my sons. So sorry for your loss. God bless his soul.

“ My first memory of the Pfundt's is meeting at the beach during the 4th of July, welcoming my family to the tradition of Gary & Mike cooking (and sometimes burning) burgers, hot dogs, and brats. We had never met you, but, here you were feeding us, welcoming us, enjoying drinks, food, and fireworks (and Kim giving me a hairband lol). Then, it became tradition, every year, hanging on the beach, by the pool, enjoying each others company, kids playing together, putt putt, NASCAR go-karts, endless fun, and of course, CORN HOLE. But, they guys all getting together to play golf while we shopped or whatever, returning together at night to cook, play, just have fun. My 4th of July will never be the same, missing you, Gary. But, we will always remember the fun times we had. Thank you for welcoming us, loving us, and your friendship. I hope you know how much you were loved! Kim, Hannah, & Drew, your NC/Beach family are all thinking of you and are ALWAYS here for you.
