“ We have excellent thoughts of George and recall the many conversations he had with him as we were new homeowners and starting our family. Josh graduated from OSU and is living in Columbus and Micheal is married with four children ages 14, 13, 11 and 9 living in Silver Spring, Maryland, a suburb of Washington D.C.

“ Anyone who knew Danny well knew that although maybe a little gruff sometimes on the outside, he was an old softy with a good heart on the inside. Working together over many years, I saw him many times offer a kind word to a fellow employee, or to help a customer that needed it. Old war stories aside, he was always entertaining. Well-known as the true hunky-at-heart, he loved his Hungarian foods. His family was always his top priority in his life and he would do anything and everything he could to make certain everyone was taken care of. There was always a gleam in his eye whenever he spoke about his family. Never one to be taken lightly, I think he would agree, that's the way he would like to be remembered. He will be missed.
