“*To all of George's family and friends: George always said we did not grow up together we just got older together. Being two years behind George all through my school years was a very enjoyable experience. He was such an intelligent individual and was always great fun to be around. As a professional he was at the top of his field. His self deprecating humor always made me smile. His face would light up when he spoke of his grandchildren. I am sorry that I have been out of town all week. Sue I wish I could be there in person to reaffirm in person what a joy your husband was to be around. Brady and he will get all of those old Delphosites up there all squared away. Bonnie, Brett and Audra all send there sympathy, prayers and best wishes to you and your family. Craig*

“ Sue, Ann & Barbara:

Although I may not be able to be with you in person, please know that I am with you in spirit as you celebrate the life of George.

Words seem so trivial at times like these, but please know that over 30+ years ago, George spent a few moments with me while I was at McAuley High School to discuss what it meant to be an accountant. As I write this from the office of my own CPA practice i hope that you know that he changed my life. I am blessed to have known him, blessed to have been a part of his life and will forever cherish the moments that we have all spent together. My heart felt condolences.

“ *There are no words that can adequately express the pain of this human journey of profound loss, but our fervent prayer and wish for you, Sue and your beautiful family, is that there is some sense of comfort in the faith that heaven opened it's arms to receive your special angel, George. May you and yours find strength, courage and comfort in every shared moment with your beloved and find solace in the fact that love never dies. George may be gone from this physical world, but he will live on in the hearts and minds of every life he touched. May George rest in ethereal peace.*

“ To the Lang Family, I am so sorry for your loss and my thoughts and prayers are with you. I first met George in the early 1970's we were in are 20's and full of ourselves. He took care of my finances through many life changes and always had the knowledge I needed. I think it will be hard not to be able to call George Lang and Associates and say " Is George there?" and hear an old friend answer. So long old friend until we meet again. John Franklin

“ George Lang was a great example of what a business leader should be. His business advice was full of wisdom and candor. My memory of George is foremost on client meetings we attended together along with other professionals in addressing the clients' needs as a team. He was always the voice in the room that wasted no words in challenging the status quo and then offering a better way.

May God provide comfort and peace to Susan and the family as they remember George and the impact he has made on many people's lives. - Dennis Linn

“ Dear Susan Kay and family, Rest his good soul. I have great memories of George from the Pendleton Round Up, a grand evening at Waverley Country Club hosted by the Bishops and a sunny afternoon at the home of the Footes in Ithaca New York for Elizabeth Bishop's graduation. He was a happy guy in no small measure due to the love he felt from his sweet wife and daughters, sons in law and of course those adored grandchildren . Mourn his early passing but relish his legacy of goodness and love, With every good wish, Dr. Larry Thomas, friend of Mary Lang and the Lang family
