“ *Georgianna's parents were beloved members of the church I pastored for over two decades, Copley Baptist Temple. Georgianna and I had a birthday in common. Her mother Sue and My mother were both together in labor at the same time, and we were born just hours apart at the same hospital. She would call me on my birthday every year and wish me happy birthday. I am sure there was a great reunion in heaven with her family that has gone before her.*

She and I were beasts when we were in 6th grade. Georgianna and Carol rode to church with my mom, brother and me. I miss her and hope to see her again.
