“ *I am thankful to have known your father and to have shared a part of all of your lives. I have many wonderful memories of times spent together. My thoughts are with you all during this difficult time. We never really lose the people we love, even to death. They continue to participate in every act, thought and decision we make. Their love leaves an indelible imprint in our memories. We find comfort knowing that our lives have been enriched by having shared their love. Even though your heart feels empty, always remember that it is still full of love and thankfulness and memories.*
