“ During our senior year of high school, I went out with a friend of mine to Greenville on a very snowy evening. We had some major trouble, including losing a set of car keys. To say it was a bad night is an understatement. The roads were getting worse, it was getting late, and I was upset. Gerry worked at a gas station in Greenville and insisted that my friend's brother take us home immediately. I was so relieved that he spoke up for us! He was empathetic and very helpful, and I was thankful he helped us that night. I am so sorry for your loss.

“ Gerry was such a sweet and kind man. He always remember which of the Byron girls I was, which always impressed me! I wish that I could be there in person to hear the wonderful stories that will be told Monday evening. Please know that I am with you in spirit, and of course Gerry will be there too!
Love to all of you,
