“ Grandpa,
*This is Jamie. IT's sad that you lift me so soon "(I know you where in a lot of pain. I know that you'r still looking down on me. I love you and miss you and you will never be forgotten. I hope to see you again when it's my time. I wish I could have been there to see you one last time. I know you got to see me one last time with the pictures I sent you when you where in the hospital. I just look back at all the pictures I have of you and the one I remember was the one of me and you that we take the very first time. I pray as it's hard right now for all of us. I am crying right now thinking about you. I love you and you will never be forgotten grandpa.. You are just so nice and loving and you'r alway's there to help anyone out that needed help and had a loveing heart.. Today is the day that I have to say my good bye but I don't want to let you go :(I DO LOVE YOU AND MISS YOU ALREADY**
