“ I love you Mom and I miss you terribly !! The letter you left us touched us all. I will do my best to take care of Dad as well as you did. I love the fact that you were in Chicago the last four months and we able to see each other so often. My kids are going to miss their card games with their Mimi. I don't know how I will keep up with all the relatives without your letting me know how everyone is doing. I promise I will let everyone know the last things you wanted me to pass on. You will always be in our hearts.##imported-begin##Dave Cousino thecouz@ameritech.net##imported-end##

“ Michael and Dave and family,  
Aunt Grace was such a beautiful, kind and loving woman. I admired her in so many ways. She treated me like a daughter and she will always have a special place in my heart. I know your hearts are broken but hope knowing what a gift she was to all of us will help heal your hearts. You are in our prayers!

“ *To the Family,*

*I would like to express my deepest sympathy to each of you.*

*May the words of Christ Jesus be of comfort to you. He states at John 5:28,29 that all those in the memorial tombs (graves) will hear his voice and come out.*

*Our Heavenly Father, Jehovah God also assures us at Revelation 21:3-5 that he is going to wipe away the tears of sorrow from our eyes forever and death will be no more.*

*Again, I extend my condolences to you. May the God of all Comfort comfort each of you.##imported-begin##Annette pannette5866@hotmail.com##imported-end##*

“ *Dave, Mike and family,*

*I was so sorry to hear of Aunt Grace's passing. She was so beautiful and had such class, but still had a fun sarcastic wit. She was just a joy to be around.*

*My dad always said she took care of him when he growing up, and I know she took great care of you, your kids, and Uncle Vern, as well. I feel for you all and know how difficult this must be. You are all in my thoughts and prayers.*

*Stephenie and I are very sorry to hear of Grace's passing. She was always so generous and considerate to me on my many visits to the house in Toledo during the 70's. Always interested in what was going on in my life and she always had those homemade chocolate chip cookies that Dave would sometimes share with me. I will always remember her as a positive influence in my life.*
