Thank you Jeff, I remember you hanging out at the house. I can't believe you still remember her, but she was a very special woman.

“*Our family was truly blessed with having Aunt Gwen for so long. She enjoyed life and family and was always ready to have a good time. She loved fiercely and was our original family party planner. Family gatherings at the Hoods were epic - watching the moon landing, swimming, volleyball, dirtbikes and LOTS of food. Now we have Uno championships, eating, gabbing and Christmas caroling - and she enjoyed every minute. We will miss you greatly but thank you immensely for being in our lives. Rest in Heavenly Peace, Auntie.*
