“ We were so sorry to learn of Harold's passing. He was a friend, neighbor extraordinaire, and our very own "cookie monster"! We will miss him and his constant good cheer and kind words.

Harold had a wonderful family - always checking on him to make sure all was well. The girls would come with the granddaughters to help clean the house and the guys always helped out with the "heavy lifting". It was wonderful to see such a devoted family and our thoughts and sympathies go out to these loving kids.

Harold is reunited with Pat - and I'm pretty sure they are planning a block party up there and banking up a storm.

We always loved giving Harold tickets to the Mud Hens games because we knew that this was a family that would totally enjoy the outing. And the thank you notes from the kids were always interesting and heartfelt.

Know that your "Pops:" was truly something special and we will all miss him terribly.

“ We are so sad to hear of Harold's passing. He was a very kind man and a great neighbor. We really enjoyed visiting with him "over the fence". Our conversations revolved around his family. It was obvious how proud he was and how much he loved all of you. We loved seeing your family gathered around his picnic table so often. We were blessed to know him and know he and Pat are together in heaven baking cookies. Our thoughts and prayers are with your family.##imported-begin##Greg & Tracy Costello & Family gregtcan dnick@aol.com##imported-end##
