“ *Mom, thank you for being such a loving and caring mother to me. You brought me up with good values. Always treat others with respect, do not lie, do not steal and of course do not cuss. You took care of me as I entered this world. Sent me to school, watched me graduate, attended my wedding and wished the best for me. You now became my friend, visiting my home, going shopping with me, coming over for dinners, giving me advice. Listening to my stories that I confided in you. Always sharing your wisdom. You became a widow and grew lonely. You came to live with me. How I was blessed having you share in my life. We have been through so much together. You asked me if I would take care of you when the time came and I promised I would not abandon you. Mom I hope I fulfilled my promise. I felt I let you down at times, somehow, I wish I could of done more. I hope you will forgive me of my shortcomings. I so dearly miss you in my life. When you went to heaven you shot an arrow through my heart. That's how I know your my valentine. Happy valentines day my beautiful mom. Until we meet again, I love you! Lisa XOXO .*
