“ Dear Milan and Family:

Please accept my sincere appreciation of Helga's life and service to the community of Victory Center Survivors. It was always a pleasure to walk in for a treatment and see Helga and Milan with smiles on their faces waiting to help you navigate the flow of emotions associated with cancer. While an unexpected death is devastating to the family know that God is ever merciful and will ease your pain as you celebrate her life. Wishing the family peace and comfort in remembering Helga. “ Dearest family and friends. We'd like to send you our prayers & condolences to you during this trying time. There is consolation In knowing she has attained her goal that we are all still aiming for. The pain we feel is Testimony to loosing one of God's greatest gifts to us all. Together we will remember her in our prayers & conversations.

Love,

“ Helga was like our second mother to our large family. Too many fond memories to list. But one sticks out I can share. I remember when my grandmother passed. She was there helping mom with all of us who were so young at the time. I remember her picking me up so I could see my grandmother in her casket. She calmed me down by holding me. She has there for me my entire life. I will miss our conversations along with family gatherings . Our last conversation was her concern for mom. She had nice words for me about caring for mom. I know she at her happiest with Milan and her family. It's not gonna be the same without her. Rest in eternal Peace dear Aunt. With Love, your niece Lizz Mendoza

“ Love, Love, LOVE this woman. She was like a second mother to me. When I was younger, my family would leave me in her care when they would leave the state vacationing. One summer, being the lovely beautician that she was, she made the decision to cut my waist length hair (which I could never take care of) up to my shoulders...I Loved it! Unfortunately for Helga, my mother did not. It took her a few weeks to get over this blatant abuse of power, but she eventually did.....she never trusted my hair around Helga again though. Rest in peace my favorite Aunt...love you to the moon and back!
