“ George and Phillip,

*We have known your father for many years and were "connected" through the Bungalow and the marriage of your grandmother to my Uncle, Czar Haddad. I will always remember his call to me when my father, George passed away a few years ago, as your father was too ill to make a visitation, but wanted me to know he was thinking of us.*

*My wife, Chris & I wish to extend to you our heartfelt sympathies on the loss of your father, and trust God will Bless you with memories that will put smiles on your faces forever.*

*Chris & Randy Haddad
