“ *Sadley , I've just been made aware of a true ledgends passing.*

A real Class Act, We've known of each other the past 25 years, but only closely the past 5. A true man of character that I'm so thankful and appreciative to have been able to experience. I could go on and on...but won't.

Cherishing the memories of a great man, mentor and example.

“ *Our favorite Herb-isms:*

"If it's worth doing, it's worth over-doing!"

"Just do something, even it's it's wrong!."

"If I was any better, it would be a crime!"

Forever in our hearts!!!

“ I didn't have the good fortune of meeting Herb until later in life, but we connected while working on some sizable transactions and I got to see the kind of character we need more of in today's world...a man who knew what he wanted in life, who was not afraid to let you know where he stood on a variety of subjects, who could be tough but always fair, who was fiercely loyal and whose handshake was his word. It doesn't get much better than that and I'm glad I got to know and work with him. Rest in peace my friend. Tony Plath

“ *There are far too many memories of great times to possibly share. I just would say that Herb was a truly remarkable person. He was unique person- a true character in a good way. He was always outgoing and struck up conversations with everyone he met. His success story is remarkable. We had one more "Tell me now" when he was in Hospice. He was a great friend who I loved and will miss.*
