“ *Howard was an amazing person. He was the weekend security at the Spitzer Building and passed out coffee to those of us who came in on the weekend. I always looked forward to seeing him and talking with him. He was quick with a smile and a joke. Although, I never met his wife, he spoke of her with great love and concern. He was truly a pleasure. I think of him often and miss his smile! My condolences to his family and all who knew him, and a special condolence to his wife- you were deeply loved by Howard!*
