“ We all just needed an update. This is Anthony (tony) his son and 4 years later I still read and re-read all these messages frequently and I hope others do too but nothing ever changes and he/we deserve an update. I just, more than anything, want him to know he's NEVER forgotten and never will be. I model my life around him...striving to be as good and accomplish as much as he did. I will never stop trying to even knowing that it's not possible. He was always fearless in my eyes growing up. If it was a new place and I felt lost like when he took me with him to work when I was young he said, “Just act like you come here all the time and people will think you do and treat you the same.”, if I felt scared to do something like climbing a ladder to help clean the chimney or put up Christmas lights he would tell me, “it has to be done and no one is gonna do it for you.”, and if I felt like I was screwing something up like when he was teaching me to weld in the garage he said, “it's nothing to worry about, it's part of learning.” After he left I wasn't sure how I'd cope with out him. Since then we have now lost Mom, his wife barb, to make things even harder but they should both know they'll never be forgotten and the lessons we've learn from both are being passed down with pride because those lessons are what keep there memory fresh in our memories, our hearts, and our lives. I am who I am today because they did the best they could and it shows, my siblings and I all have wonderful families with love that could keep this world hot during an ice age. I thank all who were a part of making their lives special and hope that everyone has the chance to feel the love and dedication that they gave for their family. They will be missed more than words can describe. Thank you for reading my update.

“ I would like to thank Mr. Mossing for his enormous dedication to the scouts at 222. I remember the good memories of the camping trips and other events that Mr. Mossing made that much better by his good humor and positive spirit. It's sad to see such a good leader leave us so soon. My thoughts and prayers to the family.
With love,

“ *Mr. Mossing (as he was known to his scouts) touched so many lives through his good-natured attitude it is hard to keep count. I will never forget the memories and teachings of this wonderful man. God blessed him with the kindest of hearts and a willingness to help anyone in need...especially his scouts. He will be sorely missed. Thanks to the Mossing family for sharing Howard with us all.*

“ *We have fond memories of Howard as the Scout Master of Troop 222, and the stories and memories our son brought back from his camping trips. Our son became an Eagle Scout with the love, support, & guidance of Howard. He came to help with our son's Eagle Scout project of cleaning up & painting the Rectory garage. None of us really liked painting, but we all made it through that day with the support and leadership like Howard provided for the entire troop. We will always remember his love & support of all of the young men in Troop 222, and the lasting impression he made on their lives.*

Thank you for all you have done for so many Boy Scouts over the years Howard. They all love you, and will always think of you with many fond memories.

With love & many prayers,

“ Howard was Dave's little brother when the Mossing's introduced me to camping when I first came into Boy Scouts. The entire family was always so generous. I caught up with Howard later as we were both Scout leaders and the generosity continued. I am sorry to hear of his death. He was truly one of the good guys.
