

James C. Andrus

September 11, 1933 - April 9, 2020

James Charles Andrus passed away peacefully on April 9th 2020. James was born September 11, 1933 to Rollin and Violet Andrus. He was preceded in death by his older brother Richard (Dick) Andrus in 1998.

After serving in the Army, James returned to Toledo and went to work for the Lucas County Engineer where he became a licensed professional land surveyor in 1961.

In 1957, he married Bernadette (Mikrut) and had children James Joseph (Ann-deceased), Deborah Ann Wallace (Matt), and David A. (April). grandchildren: Nicole, Sarah, Gretchen, Clare, Benjamin, Aaron, and Isaac.

In 1966, James founded JC Andrus & Associates Inc. For over 50 years the company has performed thousands of land surveys in the Toledo Area. Many of the local surveyors in this area had their start or worked with Andrus over the years. The company will continue in honor of its founder.

In 2001, James married Mary Margaret Grimshaw (widow) who had daughters Pamela Grimshaw, Debra Incledon (Richard), Melissa Gordon (Peter) and grandchildren Luke, Olivia, and Shane Gordon.

James never retired and enjoyed being at work every day until nearly the very end. He also enjoyed throwing large parties, spending time with his grandchildren, and gathering every Friday night with friends he called his "Friday Night Group".

Due to the current gathering restrictions a memorial event will be held at a future date. The family requests that those who wish to honor him do so by

supporting the Professional Land Surveyors of Ohio and the VA. James always promoted the profession and was involved with the VA in his later years. Please view and sign our online “guest registry” at CoyleFuneralHome.com

“ *Jim and I were members of Toledo Lion's Club and Past Presidents. He had his business and I had mine. When one of us were having issues we would have lunch and listen to each other and commiserate. We solved some issues and left others unsolved but we had a great relationship. Then we started going out to dinner most every Friday with Kay my wife. Started going to a Mexican Restaurant called Josephines then we visited many others over a few years, I treasure those times and miss him very much.*

“ *Jim Andrus was one of the kindest men I have ever met - such a beautiful soul! It was a true pleasure to get to know him and share memories and stories together. My family and I live in the home which he designed and had built years ago, and which he and Mary Margaret lived in together. As a result I am very often reminded of Jim and particularly his deep and abiding faith. While deeply saddened that he is now among God's angels, I feel certain they are stronger for his presence. May God's peace be with Mickey and the entire family.*

“ *Mary and children,*

How very sad I am to read that Mr. Andrus has passed! He was just the nicest guy ever.

I cleaned his teeth for years, and so enjoyed sharing our lives and stories. It was truly an honor and blessing to see him. He was very familiar with DARBY(Immaculate Conception Church) and many people who attended there. For sure he loved his children and his family...loved going to work. He will be missed!

“ *J.C. Andrus & Associates is the where I was able to expand my knowledge of Land Surveying. Jim allowed his employees to better themselves by allowing us to take as much responsibility as we wished without interference but with guidance.*

He was always a gentleman and very professional.

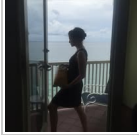

I will miss his smile and is warm greeting every time we met.

To the Andrus Family,

My thoughts and prayer are with you.

I first met him when I started to work for his business JC Andrus & Association’s and quickly was made to feel like part of the family. I was included on parties and family gatherings. “ I did not know James very personally, but nonetheless was witness to his kindness. I was his granddaughter Nikki's roommate and friend in college. Having never met me, he invited me to accompany her to a family Christmas party at his home in Toledo. What I remember clearly from that happy evening was his hospitality to me, a perfect stranger, as well as his sheer joy dancing with all of his guests.

Debbie, Nikki, and to the entire family-you are in my heart at this incredibly difficult time.

I too was a recipient of the Andrus hospitality. I was invited to a family dinner on one of my first holidays alone after losing my husband. Thank you Mickie and Jim!
