“ Mr. Muhn was my Health and Driver's Ed teacher at Macomber. I'll never forget that after I failed my driving test, he took me driving on his own time to help me pass the test. 2nd time around, I got a perfect score. I also remember that at the end of health class he would give end by saying "you may now begin social health", meaning we could talk. Lol. Great memories.

“ I remember coach Muhn well. I was on the football team at Macomber when he first joined the coaching staff. He always brought some humor to the locker room.

“ Jim and I were life long friends. We stayed in touch all these years. He enjoyed his church and helped with the lawn care there. Jim always was interested in people from High School. An avid reader of obituaries, Jim would always keep me up to date on who from high school passed. He loved to announce at sports events. I will miss him as a close a special friend.

“ I always appreciated Jim's kindness and sincere friendship during our years at Old Orchard and DHS. Our moms were friends, and I can still picture his house that I passed walking home from school. He actually came to my father's visitation, which was so touching. I was very sad to hear that Jim passed away, he was such a kind and gentle guy. He will be missed by al who knew him.

“ I feel like jim was certainly a part of my history growing up in Old Orchard and then DeVilbiss! I know he was always interested in what everyone was doing and so caring. I know he made visits to my dear friend Bev Ness with her health journey and subsequent death. Until we meet again Jim...
