“ *Dear Phillip,
Lois and I are so very sorry for your loss, could not believe it when we opened the paper this morning having just spoken with you a few days ago. We always thought that maybe you were withholding info so as not to overburden your friends but after spending lunch with you both we came away concerned but hopeful that things might turn around for her and you. Our thoughts and prayers are with you and your family at this time and always, we are here for you!*

“ *Dear Phil,
We are so sorry to hear that you have lost Jan.
We haven't seen you for some time but have kept up with you
through our mutual friends.
We knew at Christmas time that Jan was not well, but didn't realize
how serious it must have been.
Please know that Gary and I are thinking of you now and will be in
the future.*

Our most sincere sympathy,

Gary and Linda Martin
