“ Janice was Godmother to our son, Jeffrey Pickle. When he was born in 1964, Jan was going with my brother Dave Woodward and we chose them to be our firstborn's Godparents. Unfortunately, through the years, we had lost contact but I remember her as a very sweet person. Our sympathy to her family.

“ Janice was a dear friend. We shared many thoughts with each other about our grandchildren and enjoyed meeting for lunch. She was a gentle lady and very hardworking and loyal . I will miss you Jan. May the heavenly angels guide you in heaven and may the Good Lords surround you with love and peace.

“ I have too many awesome memories of my best friend's mom and don't know where to start. Spent many, many nights and days at the White house while growing up. " Mrs. White" is part of who I am- part of my childhood and adulthood. Without her daughter Julie, I would not be where I am right now. I am forever grateful for her, for raising the daughter who is my friend. Thank you for giving me the memory of you banging on the motorhome Jeff, Julie and I were spending the night in - in the middle of the night and freaking us all out. Thank you for serving Julie and our girlfriends lemonade on your deck while we were lying out in the sun. Thank you for dancing with my Dad at Julie's wedding. Thank you for raising a beautiful soul who I have been blessed to call my bestfriend since elementary school. I am so thankful to have spent an evening with you last year. I know you are resting in peace now. You will not be forgotten and will always be loved.
