“ *The Blakely Family, My sincere condolences to your families at the passing of Janien. I had the pleasure of knowing Janien and her family as being one of her first employees when she and her husband established the Blakely Care Center in North Baltimore. Janien had a kind heart and loving spirit which I had the pleasure of witnessing every day through her caring for the residents at her center. She loved being a nurse and she displayed that many times over. I occasionally ran into Janien through the years, she had that same smile and sparkling personality that I remembered . I will remember her fondly and cherish the memories of a great lady.*

My thoughts and prayers are with you. God knows your sorrow and he will comfort you with his light and love.

Sincerely,

Patricia Crouch

“ Dear Blakeley family,
I grieve with you at the passing of Janien. May you find strength to continue in a faith-directed way remembering the promises we all share in Christ Jesus.
I was a classmate of Janien in Napoleon High School and remember her as a striking majorette eader of the band, a great friendliness, and there are still a few of her classmates remaining in Napoleon who have fond memories of that shared time.
I lived elsewhere for most of my life but returned to the Napoleon area, my farm west of Napoleon on Route 6, in September of 2000.
God be with you.
