“ To the entire Whately family...
It has been an honor growing up with the Whately family!! Your family is rooted in all of the Geiger's lives and we have our parents to thank for that. “ *Dear Children of Jean*

I was sorry to hear of your Mothers passing away and wish I could be there tomorrow for Mass and prayers.

I last saw her two years ago at the Wellington Home where she recognized me with great joy and her usual smile. I was happy to see her safe and being well cared for.

It is with regret that my family was not linked to all of yours. I have memories of seeing little boys in cowboy hats! I left Toledo for the Korean War, college in LA and designed interiors in Hawaii for many years. You have missed the fun of my Mom Rose and my hilarious Dad, Harry.

Let us all pray for you Mother, and all those relatives who have left us for heaven..

Blessings and wellness to all Cousin Bob###imported-begin##Robert H Nowicki randbnowicki@aol.com###imported-end##

“ Randy, Rick and Carrie,

I was so sorry to hear about your Mom's death. She was always so nice to me and I always felt she went out of her way to say hello when I would run into her. I wish I had the right words to say to make this easier for you. Just keep talking about her and remembering her every chance you get.

“ Rick and Family,

I was suprised to see your Mom's obit. this past weekend. It's been forever since we've seen each other. I see that Tyler is married (I think he was maybe in Kindergarten when I last saw him). Rick, you and your family will be in my prayers. With God's help and love, all things will soon make sense.

As always,
